ASSISTANT DIRECTOR

RE: UPDATING MONTHLY SALARY

DATE: February 1, 2016

It has come to our attention that monthly salaries are not being maintained on pension contribution reports. We often use this information in our membership and benefits departments. We ask that you would please update this field every time there is a change in a member's monthly salary.

If you have any questions you can call Stacey Walton or I at (800) 586-9049.
